ActSafe ACX Cable Power Supply

FEATURES

Max. service life:

10 Years

The ActSafe ACX CABLE POWER SUPPLY is used in combination with the ACX POWER SUPPLY EU. It connects the ActSafe ACX rope winch to a the POWER SUPPLY EU. It couldn't be easier: Connect the cable to the power supply unit, connect it to the Power Ascender, and use run your ACX off of AC power. (A separate cable is needed for connecting to the ACCII ascender.)

- Power cable for continuous, reliable power source
- Flexible and versatile use
- Easy to use
