Customs no.: 73269098

Data sheet

D-BOLT TYP 43 (AP-058)

The D-BOLT, AP-TYP-43 is made of quenched and tempered steel, painted yellow and has a general building approval (abZ) from the German Institute for Building Technology (DIBt). The D-BOLT TYP-43 is also tested according to EN 795 and CEN/TS 16415. The scope of delivery includes an adhesive anchor with internal thread for gluing in with approved adhesive. Slings of loads, use for material transport, or as a safety device in rope access technology are not the subject of the tests and are outside the scope of application.
