BALACLAVA

Designed to be worn under your helmet, the BALACLAVA helps protect your head from cold and wet weather. Made with high-performance PrimaLoft® fabric, it provides good thermal insulation and easily wicks away sweat. Its seamless design makes it comfortable to wear under a helmet. It's easy to take care of and maintains its insulating properties over time.

Made with high-performance PrimaLoft® fabric, it provides good thermal insulation, easily wicking away sweat and drying quickly.

Short Description Balaclava for protection against cold and wind
