FIRSTAID Pouch for First Aid Kit

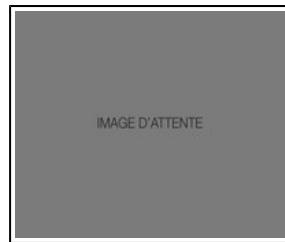

The FIRSTAID pouch makes it possible to carry emergency first aid equipment on the harness. It can be connected to the rear of a SEQUOIA and SEQUOIA PLUS harness and can quickly and easily be detached with one hand so that the user can quickly respond to an injury. This pouch is not sold with medical equipment.

The FIRSTAID pouch for first aid can be installed at the rear of the waistbelt of a SEQUOIA or SEQUOIA PLUS harness.

In case of injury, the pouch detaches quickly and easily with one hand.

The pouch allows users to store first aid equipment and can be secured via the integrated elastic bands.
