TRIANGLE SLING FOR CONREST PRO+

GENERAL

Art.Nr:	SAN-9106	Net weight:	0.85 kg
E-class number:	40-21-08-11	Gross weight:	0.94 kg
Customs tariff number:	56090000		

DATASHEET

TRIANGLE SLING FOR CONREST PRO+

The innovative transport suspension makes it easy to switch between horizontal and vertical positions without the need for time-consuming rehanging. The integrated tilt function allows the position to be flexibly adjusted or fixed in a stable horizontal position - depending on the application requirements. The simple attachment enables intuitive and safe handling and makes the suspension the ideal solution for a wide range of applications.

FEATURES

Colour:	Black, Grey, Orange
Fallindicator:	No
Edge approved:	No
Maximum lifetime:	15 years
Minimum tensile strength:	10.00
Minimum temperature:	-35 °C
Maximum temperature:	60 °C
Lanyard type:	Y-Version
Working load limit in kn:	10 kN
Individually tested:	Yes
100% quality control:	Yes

DIMENSIONS

Rope length:	0.89 m
length_lanyard:	0.89 m
Maximum length:	89
Product length:	0.89 m

MATERIAL

Material:	Stainless Steel, Polyester, Polyamide
