DATASHEET

ULTRABASKET STRETCHER

Our basket stretchers are made of high quality impact resistant ASA/ABS plastic and sturdy aluminum frame. They are corrosion resistant and insensitive to chemicals and temperature fluctuations. With a 40 mm thick, easy-to-clean mattress, they offer high comfort. The adjustable footrest and side handle cutouts allow for safe handling. The wrap-around nylon rope provides additional attachment options. Rely on our rugged and comfortable basket stretchers for effective rescue operations.

FEATURES
